4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

State-recognised remedial therapists work independently and/or in a team in social and remedial educational fields of activity.

5. OFFICIAL BASIS OF THE CERTIFICATE

Name and status of the body awarding the certificate Public or state-recognised vocational school (Address see certificate).	Name and status of the national/regional authority providing accreditation/recognition of the certificate Highest education authority of the federal state (Ministry/Senate)
Level of the certificate (national or international) ISCED 2011: 655 German Qualifications Framework (DQR): 6	Grading scale/pass requirements 1 = excellent 2 = good 3 = average 4 = pass 5 = poor 6 = fail In order to pass the examination, an overall score of at least "pass" is required.
Access to the next level of education/training General access to higher education (in accordance with the Higher Education Act of the federal state)	International agreements Directive 2005/36/EC of the European Parliament and of the Council of 7 September 2005 on the recognition of professional qualifications
Legal basis Ordinance on trade and technical schools/trade and technical academies of the respective federal state	

6. OFFICIALLY RECOGNISED WAYS OF ACQUIRING THE CERTIFICATE

State final examination:

1. following completion of training within the scope of the curriculum stipulated at a trade and technical school/ trade and technical academy or
2. following admission as a non-pupil by the education authority of the federal state.

Additional information

Entry requirements: intermediate secondary school leaving certificate or an educational qualification recognised as equivalent and completion of relevant vocational education or training or of training deemed to be equivalent in accordance with the regulations of the federal states

Duration of training: at least 2,400 hours of theoretical training and at least 1,200 hours of practical training

Educational aim: Trade and technical schools/trade and technical academies are institutions which provide continuing vocational training for the assumption of management tasks. Trade and technical schools/trade and technical academies offer a range of organisational forms of teaching (full-time or part-time basis) which lead to a post-secondary state vocational education and training qualification in accordance with federal state law.

Note: in accordance with the regulations of the respective federal state, qualification as a state-recognised remedial therapist takes place via successful completion of the course and, in some circumstances, following successful completion of an accompanying one-year practical placement.
